Officer reports

Seneschal

Return to play rules are now being implemented.

Would like to remind everyone to be considerate of them and help one and other to comply with these rules.

It is for our own safety especially with the Delta variant prominent in the Interior.

Would like to encourage more volunteers to step and take an office. The Shire cannot run itself and we need more hands to support the existing officers.

Our three main Positions will be stepping down in the upcoming year. So we will be looking for a Seneschal, an Exchequer and a Master of Stables. Without these positions filled the Shire will fold.

So please consider even shadowing these officers in preparation of the step down.

All practices and Meetings were on hold in July and the beginning of August due to evacuations and alerts from the wildfires in the area.

We are now resuming the practices and the monthly social at the 108 Hall on Monday evenings.

Exchequer

Q2 reporting has been done and sent to Tir Righ exchequer

Bank balance is now \$3945.02

Master of Stables

Nothing to report

Master of Archery

Weekly Archery practices will be resuming on Wednesday evenings- see the calendar for information.

Russell Cam-Beul o'Danescombe, senior thrown weapons marshal will be in attendance for anyone wishing to get authorization training to become a Junior Marshal.
